

## Reciprocal Licensing - Pesticides

To receive a reciprocal license from the Wyoming Dept. of Agriculture, the following requirements must be met:

- **Mandatory:** Letter of verification from the respective state department of agriculture FROM THE STATE IN WHICH YOU RESIDE. The letter should state that you are a licensed applicator in good standing with their agency and the categories in which you are licensed in.

This letter may be faxed to us at (307) 777-6593 or mailed to:

Wyoming Department of Agriculture  
2219 Carey Avenue  
Cheyenne, WY 82002

Please be sure we are also supplied with your primary mailing address.

When we have received this letter from your state department of agriculture, we will postal mail to you a packet of documents for you to complete. The packet will contain the following:

- WDA Pesticide Applicator Application
- Power of Attorney Form Note, this form must be notarized
- Any other forms, notices or information you may need

When all the forms have been completed, the following should also be returned with the forms:

- \$25.00 Licensing Fee (Government employees are exempt from the licensing fee)
- A legible copy (front and back) of your currently held pesticide applicators license from the state in which you reside.

Please contact Hank Uhden at (307) 777-6574, if you have any questions.
